Human Research
CITI Training Login Help

1. Visit the website www.citiprogram.org

2. Click "login" in the top right corner.

3. Select "Log In Through My Organization"

4. Type in Princeton University and select "Continue to SSO Login/Instructions"

5. The system should have you login with DUO authentication, and then show the IRB Training course under "Courses Ready to Begin". Please complete **ONE** of the following courses based on your field of research:

<div align="center">

Biomedical Research Investigators
OR
Social & Behavioral Research Investigators

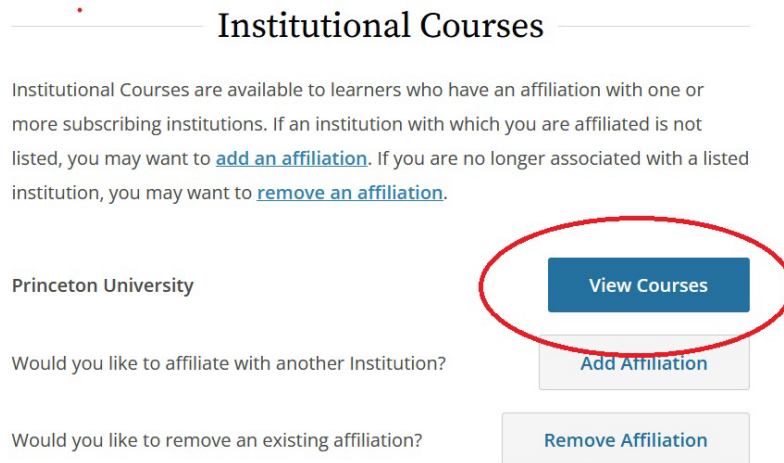

*(note that each of these are 3 hour courses; however, you are only
required to complete **ONE** of them)*

*****If you do not see the course preloaded, continue to the
following instructions*****

</div>

6. Click "My Courses" on the top left of the screen

7. Select "View Courses"

8. Add a course

9. Go *directly* to **Question 2** and check either Biomedical Research Investigators **OR** Social & Behavioral Research Investigators, based on your field of research. *(you do not need to select any other boxes on the page)*

Scroll to the bottom and press Submit.

Question 2

Human Subject Research

Please select the Human subject course you wish to take:

- [ ] IRB - Biomedical Research Investigators ← Choose one of the two courses based on your type of research
- [ ] IRB - Social & Behavioral Research Investigators ←
- [ ] IRB - Board Members
- [ ] IRB - Administrative Staff
- [ ] IRB Chairs and Vice-Chairs
- [ ] IRB - Biomedical Data or Specimens Only Researchers
- [ ] No, thank you.

10. You will now see the IRB Course in your queue and can complete the training.

Active Courses   Learner Tools

You have no active courses for this Institution.

Courses Ready to Begin   Learner Tools

Princeton University
IRB - Biomedical Research Investigators
Stage 1 - Basic Course

0 / 15 modules completed

Start Now

OR

Princeton University
IRB - Social & Behavioral Research Investigators
Stage 1 - Basic Course

0 / 14 modules completed
